

WISE WEDNESDAYS SERIES

RELATIONSHIPS ARE THE HEART OF QUALITY CARE

The SUNY Cortland School of Education and the Child Development Council present *Wise Wednesdays - a free professional development series for teachers and childcare providers*

Join preK and kindergarten teachers, paraprofessionals, and community and family childcare providers for a free series focused on meeting the needs of children from birth to kindergarten.

Each session will begin with a light meal and discussion, followed by an interactive learning experience presented by professional educators.
